Notes to the Consolidated Financial Statements for the year ended 31st March 2026

Uttar Pradesh Rajya Vidyut Utpadan Nigam Ltd. (UPRVUNL), Jawaharpur Vidyut Utpadan Nigam Ltd. (JVUNL) and Uttar Pradesh Jal Vidyut Nigam Ltd. (UPJVNL) were incorporated as separate companies under Companies Act 1956 and were operating separately. Up to financial year 2022-23, separate financial accounts of all three companies were prepared and audited.

The Uttar Pradesh Government, Energy Section-2 issued Notification No. 872/24-P-2-2023-63 (Appointment)-2011 Lucknow, dated November 03, 2023, to merge all above the three companies. In compliance of this Notification, the process regarding merger has been done as per The Companies Act, 2013. In this process Jawaharpur Vidyut Utpadan Nigam Ltd. (JVUNL) was merged into Uttar Pradesh Rajya Vidyut Utpadan Nigam Ltd. (UPRVUNL) and subsequently the Uttar Pradesh Rajya Vidyut Utpadan Nigam Ltd. (UPRVUNL) merged in U P Jal Vidyut Nigam Ltd. (UPJVNL). The name of U. P. Jal Vidyut Nigam Ltd. (UPJVNL) declared change as U.P. Rajya Vidyut Utpadan Nigam Ltd. with new certificate of incorporation on 20.03.2024.

As per Government Notification, the financial account of the three companies has been merged with effect from 01.04.2022.

1. Company Information, Basis of Preparation and Material Accounting Policies Information:

A. Company Information

U.P. Rajya Vidyut Utpadan Nigam Ltd. ('The Company') is a company incorporated in India and Limited by shares (CIN U31901UP1985SGC007135) with its registered office in Lucknow, U.P., India. The company is involved in generation and sale of bulk power to State Power utilities.

B. Basis of Preparation

i) Statement of Compliance

These financial statements are prepared on going concern basis following accrual basis of accounting and comply with the Indian Accounting Standards (IND AS) notified under the Companies (Indian Accounting Standards) Rules, 2014 and subsequent amendments thereto, the Companies Act, 2013 (to the extent notified and applicable), applicable provisions of the companies Act, 1956 and the provisions of the Electricity Act, 2003 to the extent applicable.

Effective from 1st April 2016 the Company has adopted the Indian Accounting Standards (IND AS) and adoption was carried out in accordance with IND AS 101 'First time adoption of Indian Accounting Standards, with 1st April 2015 as the transition date. The transition was carried out from Indian Accounting Principles generally accepted in India as specified under Section 133 of the Companies Act, 2013 (to the extent notified and applicable).

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to existing accounting standard requires a change in accounting policies hitherto in use.

These financial statements were approved for issue by the Board of Directors in its meeting held on 21.07.2026

VIVEK MITTAL & ASSOCIATES * Chartered Accountants * LUCKNOW

ii) Basis of Consolidation

The Company consolidates all entities which are controlled by it. The consolidated financial statements comprise the financial statements of the Company, its controlled entities and its subsidiaries. Control exists when the parent has power over the entity, is exposed, or has rights, to variable returns from its involvement with the entity and has the ability to affect those returns by using its power over the entity. Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity's returns. The entities are consolidated from the date control commences until the date control ceases.

The financial statement of the subsidiary company is consolidated on a line-by-line basis and intra-group balances and transactions including unrealized gain/loss from such transactions are eliminated upon consolidation. These consolidated financial statements are prepared by applying uniform accounting policies in use at the Group. Non-controlling interests which represent part of the net profit or loss and net assets of subsidiaries that are not, directly or indirectly, owned or controlled by the Group, are excluded.

Joint Ventures are entities over which the Group has joint control but not full control. Associates are entities over which the Group has significant influence but not control. Investments in Joint Ventures and Associates are accounted for using the equity method of accounting. The investment is initially recognized at cost, and the carrying amount is increased or decreased to recognize the investor's share of the profit or loss of the investee after the acquisition date.

Details of the Group's subsidiary and the joint ventures at the end of the reporting period considered in the preparation of the Consolidated Financial Statements are disclosed by way of additional information.

iii) Basis of Measurement

The financial statements have been prepared under the historical cost convention with the exception of certain assets and liabilities, if any, that are required to be carried at fair values by IND AS, if any. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

iv) Functional and Presentation Currency

The functional and presentation currency of the Company is Indian Rupee ("₹") which is the currency of the primary economic environment in which the Company operates. All financial information presented in Indian rupees has been rounded to the nearest crores (rounded off to two decimal), except otherwise stated.

v) Current and Non-Current Classification

1) The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

2) An asset is current when it is:
- Expected to be realized or intended to be sold or consumed in normal operating cycle.
- Held primarily for the purpose of trading.
- Expected to be realized within twelve months after the reporting period; or

VINEK MITTAL & ASSOCIATES Chartered Accountants LUCKNOW

• Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non-current.

3) A liability is current when:
• It is expected to be settled in normal operating cycle.
• It is held primarily for the purpose of trading:
• It is due to be settled within twelve months after the reporting period; or
• There is no unconditional right to defer settlement of the liability for at least twelve months after the reporting period.

4) Further deferred tax assets/liabilities are classified as non-current assets and liabilities. All other liabilities are classified as non-current.

vi) Use of Estimates and Critical Accounting Judgements

In preparation of the financial statements, the Company makes judgements, estimates, and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and the associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and the underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised, and future periods affected.

Significant judgements and estimates relating to the carrying values of assets and liabilities include useful lives of property, plant and equipment and intangible assets, impairment of property, plant and equipment, intangible assets and investments, provision for employee benefits and other provisions, recoverability of deferred tax assets, commitments and contingencies.

vii) Provisions

Provisions are recognized in the balance sheet when the Company has a present obligation (legal or constructive) as a result of a past event, which is expected to result in an outflow of resources embodying economic benefits which can be reliably estimated. Each provision is based on the best estimate of the expenditure required to settle the present obligation at the balance sheet date.

C. Material Accounting Policies Information

The Material accounting policies applied by the Company in the preparation of its financial statements are listed below. Such accounting policies have been applied consistently to all the periods presented in these financial statements.

1. Property, Plant and Equipment [PPE]

a) Property, plant and equipment are stated at cost, less accumulated depreciation and impairment. Cost includes all direct costs and expenditures incurred to bring the asset to its working condition and location for its intended use. The cost of an item of property, plant and equipment is recognized as an asset if, and only if it is probable that future economic benefits

MITAL & ASSOCIATES LUCKNOW Chartered Accountants

associated with the item will flow to the company and the cost of the item can be measured reliably.

Trial run expenses (net of revenue) are capitalized. Borrowing costs incurred during the period of construction is capitalized as part of cost of the qualifying assets. The gain or loss arising on disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset and is recognized in the statement of profit and loss.

b) The cost of an item of PPE is the cash price equivalent at the recognition date. The cost of an item of PPE comprises: -
   - Purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates.
   - Costs directly attributable to bringing the PPE to the location and condition necessary for it to be capable of operation in the manner intended by management.
   - In case where final settlement of bills with contractors is pending, but the assets are completed and available for operating in the manner intended by management, capitalization is done on estimated basis subject to necessary adjustments in the year of final settlement.

c) Fixed Assets transferred by State Government under Transfer Scheme, 2000, are appearing at values as stated therein. Fixed assets are shown at historical cost.

d) Fixed Assets created by the company are shown at cost including related expenditure capitalized less depreciation thereof.

e) Expenditure incurred on renovation and Modernization of PPE on completion of the originally estimated useful life of the power station resulting in increased life and/or efficiency of an existing asset, is added to the cost of the related asset. PPE acquired as replacement of the existing assets/component are capitalized and its corresponding replaced assets/ component removed/ retired from active use are derecognized.

f) Right-of-use land and buildings are fully amortized on straight line method over the lease period or Useful life of the underlying asset, whichever is lower.

g) Cost incurred in creation of an asset till the date of commissioning is capitalized. In the case of commissioned assets where final settlement of bills with the contractors is yet to be affected, capitalization is done on provisional basis subject to necessary adjustment in the year of final settlement.

h) Pending receipt of the Completion Reports in respect of capital works, the works completed have been transferred to Fixed Assets based on works completed up to the end of year.

i) Administrative and General Overhead Expenses which are directly attributable to the construction of a project, acquisition of fixed assets under Renovation, Modernization and Refurbishment works are capitalized.

j) The expenditure on generation during trial period, i.e., 'Infirm Power' and revenue there against are capitalized.

k) Value of construction stores is charged to Capital Work-in-Progress as and when the material is issued. The material at the year-end lying at site is treated as part of the 'Capital Work-in-Progress' but material lying in stores is grouped under the head 'Store and Spares'.

l) Unsettled liabilities for variation/exchange rate variation in case of contracts are accounted for on estimated basis as per terms of the contracts.

m) The company has chosen the cost (historical cost) model of recognition, and this model is applied to an entire class of PPE after recognition as an asset, an item of PPE is carried at its cost less any accumulated depreciation any accumulated Impairment losses.

n) The Transfer Scheme between erstwhile UPJVNL and UJVNL have generally been agreed by both companies except otherwise stated. The opening balances as per the agreed Transfer Scheme have been booked by erstwhile UPJVNL in the accounts accordingly.

VINEK MITTAL & ASSOCIATES * Chartered Accountants * LUCKNOW

2. De-recognition of Property Plant and Equipment (PPE) and Intangible Assets

Property, Plant and equipment is derecognized when no future economic benefits are expected from their use or upon their disposal. Gains and losses on de-recognition of and item of property, plant and equipment are determined as the difference between sale proceeds from disposal, if any, and the carrying amount of property, plant and equipment and recognized in the statement of profit and loss.

3. Decommissioning Costs of PPE

The present value of the expected cost for the decommissioning of the asset after its use is included in the cost of the respective assets if the recognition criteria for a provision are met.

4. Capital Work-in-Progress (CWIP)

(a) Expenditure incurred on assets under construction (including a project) is carried at cost under Capital work in Progress. Such costs comprise purchase price of asset including import duties and non- refundable taxes after deducting trade discounts and rebates and costs that are directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

(b) The indirect expenditure being incurred during construction period at divisions are accumulated under CWIP till the completion of the projects and allocated to Fixed Assets on completion of the same.

(c) Expenditure on Survey and investigation of the Project is carried as capital work-in-progress and capitalized as cost of project on completion of construction of the project.

5. Intangible Assets under Development

Expenditure incurred which are eligible for capitalization under intangible assets are carried as intangible assets and has been carried at cost less accumulated amortization and accumulated impairment losses, if any.

6. Depreciation and Amortization of Property, Plant and Equipment and Intangible Assets

a) Depreciation or amortization is provided to write off, on a straight-line basis, the cost of property, plant and equipment and other intangible assets as per the methodology specified in schedule II of the Companies Act 2013. These charges commenced from the dates the assets are available for their intended use and are spread over their estimated useful economic lives or, in the case of leased assets, over the lease period, if shorter. The useful lives and residual values of assets are estimated in accordance with schedule II of the Companies Act 2013 and these are reviewed regularly and, when necessary, revised. No further charge is provided in respect of assets that are fully written down but are still in use. Depreciation on assets under construction commences only when the assets are ready for their intended use.

b) Right-of-use land and buildings are fully amortized on straight line method over the lease period or Useful life of the underlying asset, whichever is lower.

c) The Fixed Assets are depreciated up to 95% of the original cost, intangible assets are amortized up-to 100% with 'zero' residual value.

d) Depreciation on additions to/deductions from fixed assets during the year is charged on pro-rata basis from/up to the month, the asset is available.

MITTAL & ASSOCIATES

e) To uniform the accounting policies for like transactions and other events of erstwhile companies. So, if a member of a group uses different accounting policies for like transactions and events in similar circumstances, then necessary adjustments should be made to that member of the group to bring conformity in accounting policies in the financial statement.

Further, para 61 of **Ind AS 8, Accounting Policies, Changes in Accounting Estimates and Errors** provides that changes in depreciation method should be treated as change in an accounting estimate.

7. Impairment

At each balance sheet date, the Company reviews the carrying values of its property, plant and equipment and intangible assets to determine whether there is any indication that the carrying value of those assets may not be recoverable through continuing use. If any such indication exists, the recoverable amount of the asset is reviewed in order to determine the extent of impairment loss (if any). Recoverable amount is the higher of fair value less costs to sell and value in use. An impairment loss is recognized in the statement of profit and loss as and when the carrying value of an asset exceeds its recoverable.

8. Investments in Joint Venture

Investments in Joint Venture are carried at cost less accumulated impairment losses, if any and accounted for as per IND AS-27. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in joint ventures, the difference between net disposal proceeds and the carrying amounts are recognized in the Statement of Profit and Loss.

9. Inventories, Stores and Spares

a) Inventories of fuel stock, stores and spares, construction material and other stock other than scrap are generally valued at cost plus incidental expenses (on weighted average basis) or net realizable value whichever is lower.

b) Any shortage/ excess of material found during the physical verification at the yearend are first shown as "Material short/ excess pending investigation" till the finalization of investigation and thereafter any excess, if established is shown under the head of Income. Similarly, shortages after investigation are either recovered from staff concerned or charged to Profit and Loss Account, as the case may be.

c) Shortage/ Loss due to theft or any other reason are first debited to the head "Misc. Advance to Staff" and are shown as Current Assets till the finalization of enquiry/settlement of the case.

10. Financial Assets

a) Financial assets are recognized when the Company becomes a party to the contractual provisions of the instrument. In accordance with Ind AS 109, company's financial assets are measured at amortized cost.

b) Impairment of Financial Asset- Expected credit losses or provisions are recognized for all financial assets subsequent to initial recognition. The impairment losses and reversals are recognized in Statement of Profit and Loss.

VIVEK MITTAL & ASSOCIATES * LUCKNOW * Chartered Accountants

11. Financial Liabilities

a) Financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. All the financial liabilities are recognized at amortized cost. The company's financial liabilities include trade payable, borrowings and other payables.

b) Borrowings have been measured at fair value using Effective Interest Rate (EIR) method. Effective Interest Rate Method is a method of calculating the amortized cost of a financial instrument and of allocating interest and other expenses over the relevant period. Since each borrowing has its own separate rate of interest and risk, the interest rate at which they have been acquired is treated as EIR. Trade and other payables are shown at contractual value.

c) Financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expired.

12. Foreign Currency Transactions

Foreign Currency transactions are accounted at the exchange rates prevailing on the date of transaction. Gains and Losses, if any, as at the year-end in respect of monetary assets and liabilities are recognized in the Profit and Loss Account.

13. Government Grant

a) Grants-in-Aid received from the State Government towards capital expenditure is presented in the balance sheet by setting up the grant as deferred income and subsequently adjusted as income in the same proportion as the depreciation written off on the assets acquired out of the grant.

b) Revenue Grant-in-Aid received from Government/Authorities for very specific Expenditure is shown by way of deduction from such specified expenditure. Other Grants in Aid received from Government/Authorities are shown as income separately.

c) Grants relating to depreciable assets are initially recognized as deferred income and subsequently recognized in the statement of profit and loss on a systematic basis over the useful life of the asset generally in the same proportion in which depreciation is charged on the depreciable assets acquired out of such grant.

d) Grants in the form of revenue grant are recognized as income on a systematic basis over the periods over which the related costs are incurred based on expenditure for particular purpose.

14. Revenue Recognition

a) Revenue from Sale of verified Electricity Units by Uttar Pradesh Power Corporation Ltd. has been accounted for based on rate allowed in Tariff ordered by Uttar Pradesh Electricity Regulatory Commission (UPERC).

b) Unbilled revenue represents value of sale of energy and billed subsequent to the Balance Sheet date.

VIVEK MITTAL & ASSOCIATES
LUCKNOW
Chartered Accountants

c) The incentive /disincentive and statutory charges are billed as per the norms notified / approved by the UPERC from time to time are accounted-for on provisional basis.

d) Value of scrap including steel scrap is accounted for in accounts as and when sold.

e) Interest income is recognized, when no significant uncertainty as to measurability or collectability exists, on a time proportion basis considering the amount outstanding and the applicable interest rate, using the effective interest rate method (EIR).

Interest/surcharge recoverable on advances to suppliers as well as warranty claims wherever there is uncertainty of realization/acceptance are not treated as accrued and are therefore, accounted for on receipt/acceptance.

f) Wherever Company is supplying power to consumers directly including irrigation staff posted at unit's colony, the same has been treated to have been done on behalf of UPPCL and accordingly accounted for in books of account. These accounts are subject to confirmation from UPPCL (Erstwhile UPJVNL).

g) Export/Import of Electricity to UPPCL is accounted for on the basis of joint meter reading and net of Export and Import is taken as sale to UPPCL. Sale to MPPMCL (for Rihand & Matatila HPS) & HPSEBL (for Khara HPS) are accounted for on the basis of REA data from NRPC & net of Export & Import (Erstwhile UPJVNL).

15. Fly Ash Utilization Reserve Fund

Proceeds from sale of ash/ash products along-with income on investment of surplus fund are transferred to 'Fly ash utilization reserve fund' in terms of provisions of gazette notification issued by Ministry of Environment and Forests & Climate Changes, Government of India. The fund is utilized towards expenditure on development of infrastructure/facilities, promotion & facilitation activities for use of fly ash.

16. Generation

a) Own consumption of power on account of Office Premises, Club, Inspection Houses, Street light in Colonies owned by Company is treated as own consumption and is reduced from Generation. Assessment of own power consumption at Sub-Station Office is done based on connected load/ hour of supply.

b) Officers and staff residing at colonies are being charged at fixed rate.

17. Borrowing Cost

a) Borrowing Cost on loan for Capital Works / Refurbishment, Renovation and Modernization Works are capitalized during the construction period of fixed assets.

b) Interest expense on lease liabilities recognized in accordance with Ind AS 116– 'Leases'

18. Employee Benefit Expenses

a) Employee benefits include provident funds, gratuity, earned leave and other terminal benefits. Company's contribution towards these employee benefits is determined as per prescribed formula on basic pay and dearness allowance and is recognized in the financial statements accordingly.
b) Short term employee benefits are recognized as an expense in the financial statements for the year in which the related services are rendered.
c) Expenses on medical benefits, LTC, ex-gratia payments under retirement cum death scheme, training & recruitment and research & development are charged to statement of profit and loss in the year it incurred.
d) Liability of Pension & Gratuity in respect of employees appointed prior to 14.01.2000 has been determined on the basis of actuarial valuation and has been accounted for on accrual basis.
e) Liabilities for Earned Leave are accounted for on accrual basis.

19. Provisions and Contingent Liabilities

a) Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.

b) Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation, or a reliable estimate of the amount cannot be made.

20. Leases

The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (1) the contact involves the use of an identified asset (2) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (3) the Company has the right to direct the use of the asset. The Company recognizes a right-of-use asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and leases for low value underlying assets. For these short-term and leases for low value underlying assets, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Right-of-use assets are depreciated/amortized from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. In calculating the present value, lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rate.

21. Income Taxes

Income tax expense represents the sum of the tax currently payable and deferred tax.

i) Current Tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from profit before tax' as reported in the statement of profit or loss and other comprehensive income/statement of profit or loss because of item of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Income Tax is a pass-through to beneficiaries as reimbursement to the extent relatable to core activity i.e., Generation of Electricity.

ii) Deferred Tax

Deferred tax is recognized on temporary difference between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable

Temporary differences, deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which these deductible temporary difference can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amounts of deferred tax assets are reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the assets to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liabilities are settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

iii) Current and Deferred Tax for the year

Current and deferred tax are recognized in profit and loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity, respectively.

ATVEK MITTAL & ASSOCIATES Chartered Accountants LUCKNOW

22. Segment Reporting

a) Electricity generation is the principal business activity of the company. This includes Thermal, Hydro as well as solar energy projects.

b) The company has a single geographical segment as all its stations are located within India. The company does not have any power plant outside India.

c) Sale from Hydro Power Energy and generation, sales of bulk power to UP Power Corporation Ltd Within the UP State do not exceed 10 Percent or more of an entity revenue, and in other reporting segment i.e., coal mining has no activities carried out during the year therefore segment reporting is not applicable to UPRVUNL.

23. Statement of Cash Flows

Statement of cash flow is prepared by segregating the cash flows into operating, investing and financing activities. Cash flow from operating activities is reported using indirect method, adjusting the profit before tax excluding exceptional items for the effects of:

a) Change during the period in inventories and operating receivable and payable transactions of a non – cash nature.
b) Non- cash items such as depreciation, provisions, unrealized foreign currency gains and losses; and
c) All other items for which the cash effects are investing or financing cash flows.

24. Material Prior Period Errors

a) Material errors arise in respect of the recognition, measurement, presentation or disclosures of elements of financial statements are classified as Prior Period Errors. Material prior period errors are corrected retrospectively by restating the comparative amount for the prior period presented in which the error occurred. If the error occurred before the earliest prior period presented, the opening balance of assets, liabilities and equity for the earliest prior period presented, are re-stated.

b) Errors or omissions relating to prior periods discovered during the current year shall ordinarily be considered immaterial and adjusted in the current year under the respective natural heads of account where the aggregate impact does not exceed 1% of Revenue from Operations. However, any single item exceeding value of ₹ 50 Crore or items having qualitative materiality shall be treated as material prior period errors and accounted for in accordance with Ind AS 8 including retrospective restatement wherever applicable.

VINAYAK MITTAL & ASSOCIATES ★ Chartered Accountants ★ LUCKNOW

25. Miscellaneous

a) Staff related petty expenses claims pertaining to the prior period are accounted for on cash basis.

b) Expenses on 'Training and Recruitment, Research and Development' are charged to revenue.

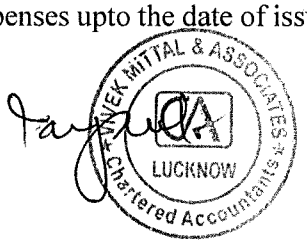

c) Claims for price variation/exchange rate variation in case of contracts are accounted for on acceptance.

d) Accounting of insurance claims, demurrage charges and grade slippage of coal claims done on Cash Basis due to significant uncertainty in determination of amount.

c) In case of UCM Coal Co. Ltd :-

(i) 'Pre-operative Expenditure Account' will be prepared during the period in which no business activity has been carried out.

(ii) Excess of Receipt from MDO over pre-operating expenses/committed expenses/expenses on creation of assets/preliminary expenses upto the date of issue of Letter of Award is treated as pre-operative surplus.

a) Land and Rights (freehold) have been acquired pursuant to Transfer Scheme, 2000. These assets have been changed in the name of UPRVUNL by the projects by mutation except part of Land at Harduaganj and Anpara.

b) The lease deed pertaining to 141.87 hectares of land obtained on lease from the Forest Department is pending renewal by the Forest Department. Pending execution of the renewed lease deed, the Company has been paying the revised lease rent as intimated by the Forest Department from the current financial year. Further, out of the total leased land, 4.1638 hectares has been transferred/sub-leased to erstwhile Lanco Anpara Power Pvt. Ltd. for construction of a power plant, in accordance with the approval granted by the Government.
Considering the Company's continued right to use the leased land and the ongoing payment of lease rentals, the lease arrangement continues to be in force in substance. Accordingly, the Right-of-Use (ROU) Asset and corresponding lease liability, have been recognized and accounted for in accordance with the requirements of Ind AS 116.

c) COD of Panki CTPS 1x660 MW and Unit#2 of 660MW of Obra CTPS has been declared on 24.04.2025 and 09.07.2025 respectively and accordingly CWIP has been capitalized during the year.

d) Depreciation **₹ 0.44 Crore** (previous year ₹ 1.25 Crore) has been transferred to Capital Work in Progress.

e) Fixed Assets which have been deleted from installed capacity on account of Central Electricity Authority Order or as per Management decision the same have been shown under the head 'assets not in use'. The assets have been valued at lower of cost of these assets and the Expected Net Realizable Value.

Consolidated Notes forming part of Financial Statements

32. BASIS OF CONSOLIDATION:

A. The consolidated financial statements relate to UPRVUNL (the company), its Subsidiary and interest in Joint Ventures, together referred to as 'Group'.

a). Basis of Accounting:

i). The financial statements of the Subsidiary Company and and Joint Ventures in the consolidation are drawn up to the same reporting date as of the Company for the purpose of consolidation.

ii). The consolidated financial statements have been prepared in accordance with Ind AS 110 - 'Consolidated Financial Statements' and Ind AS 28 - Investment in Associate and Joint Ventures' as specified under section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 and generally accepted accounting principles.

b). Principles of Consolidation:

The consolidated financial statements have been prepared as per the following principles:

i). The financial statements of the Company and its subsidiay are combined on a line by line basis by adding together of the like items of assets, liabilities, income and expenses after eliminating intra-group transactions, unrealised profits or losses (if any), Minority interest (if any), has been separately disclosed.

ii). The consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumtances and are presented to the extent possible, in the same manner as the Company's separate financial statements except as otherwise stated in the significant accounting policies.

iii). The financial statements of joint ventures company's has been accounted for using equity method of consolidation and reporting whereby the Company's Value of Investment is adjusted by the amount of company's share in joint venture company's net assets.

B. The subsidiary and Joint Venture Companies considered in the financial statements are as follows:

Name of Company	Proportion (%) of Shareholding	
	31.03.2026	31.03.2025
Subsidiary Company:		
NIL	NA	NA
Joint Venture Companies:		
Meja Urja Nigam Private Limited	50.00	50.00
Neyveli Uttar Pradesh Power Limited	49.00	49.00
NTPC UP Green Energy Limited	49.00	0.00
UCM Coal Company Limited.*	50.00	50.00

*The financial statements are unaudited and certified by management of respective companies and have been considered for consolidated financial statements of the group.

33. (i) The value of Assets and Liabilities transferred on trifurcation of erstwhile U.P. State Electricity Board (UPSEB) and finally vested by U.P. Govt. to UPRVUNL on 14-01-2000 are based on transfer price as received in Transfer Scheme vide Notification No.348/P-1/ 2001-24 dated 25.01.2001 after incorporating therein transaction from 15.01.2000 to 31.03.2000 and 2000-01 to 2025-26.

33. (ii) Consequent upon Trifurcation of erstwhile U.P.S.E.B. the balances of Assets & Liabilities transferred by GoUP to the erstwhile UPJVNL vide notification no. 348/P-1/2001 dated 25th January 2001 were incorporated in the books of the erstwhile UPJVNL on 15.1.2000 as per aforesaid notification. These Assets & Liabilities were without any individual/project wise details. Therefore, the accounts of the erstwhile UPJVNL also consist these Assets & Liabilities remained with the erstwhile UPJVNL after the value of Assets & Liabilities transferred to the Uttaranchal J.V.N.L on 08.11.2001 out of aforesaid figures.

33. (iii) The Individual Balance details of Assets and Liabilities transferred under Transfer Scheme, 2000 vide above Notification No. 348 dated 25.01.2001 were not provided by Reform Implementation Consultant M/s Price Waterhouse Coopers.

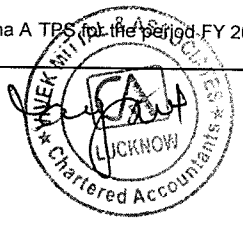

33. (iv) The reconciliation of the balances of Assets and Liabilities transferred under Transfer Scheme, 2000 vide Notification dated 25.01.2001 and balances those appearing in the units accounts at that time has been reconciled and due effect thereof have been given in the respective books of accounts and the difference between the reconciled balances and balances received under Transfer Scheme have been booked to Restructuring Account.

33. (v) Loan from LIC has not been taken directly but was transferred to the erstwhile UPJVNL under the transfer scheme vide notification no. 348/P-1/2001 dated 25th January 2001 on 15.1.2000. Initially total loan of ₹ 424.18 Crore was transferred to the erstwhile UPJVNL on 14.1.2000 but consequent upon formation of Uttaranchal JVN on 08.11.2001 aforesaid loan along with overdue principal was transferred to UJVNL but out of this loan amounting to ₹ 85.21 Crore was accounted for in FY 2005-06 as per Ministry of Power, Govt of India's order no.S.O.1228E dated 02.09.2005 regarding division of loan between Uttaranchal JVNL & erstwhile UPJVNL. This Loan has been settled under OTS proposal, accepted by LIC for ₹ 85.21 Crore as full & final settlement of Loan and LIC has issued No Dues Certificate vide letter no. CO/INVM-M&A/Review/SOS/ 2021-22/58081, Dated 01.04.2022.

34. (i) During the year 2025-26 total amount of energy sold to UP Power Corporation Ltd. is **₹ 19,505.31 Crore** (P.Y. ₹ 16,008.50 Crore) and out of which verified energy is amounting to **₹ 19251.87 Crore** (P.Y. ₹ 16,008.50 Crore).

34. (ii) Revenue from sale of power includes adjustment bill as per UPERC order dated 04.07.2025 in respect of final approval of capital cost of 2x500 MW Anpara D TPS for the period FY 2016-17 to FY 2024-25 **₹ (-) 173.26 Crore**

34. (iii) Revenue from sale of power includes true-up adjustment bill as per UPERC order dated 27.01.2026 in respect of 2x110 MW Parichha A TPS for the period FY 2019-20 to FY 2023-24 **₹ (-) 2.87 Crore**

35. (i) Govt. of Uttar Pradesh vide G.O. No. 1714/24-1-2017-1714(B)/2017 Dated 31st July 2017 has directed to Nigam to charge Return on Equity (ROE) @ 2% with effect from 01.04.17 till the completion of turnaround process of U.P. Power Corporation Ltd. and its distribution companies under UDAY Scheme. Nigam has filled MYT petition before UPERC for control period 2024-29 in which it has sought ROE 15% but maintained that it would continue to bill the beneficiary considering the ROE @ 2%. During the FY 2025-26 the estimated impact of reduction in ROE is **₹ 1648.14 Crore** (P.Y.₹1,155.93 crore) .

35. (ii) Billing of Sale of energy has been made considering UPERC (Terms & Condition of Generation Tariff) Regulation, 2024 and MYT Petition 2014-24 as approved by UPERC, Since MYT 2024-29 is pending for approval before Honable UPERC.

35. (iii) In compliance of BOD decision para related to Rebate, Surcharge on late payment has been omitted to be included in Supplementary Power Purchase agreement with UPPCL related to various Thermal Plants.

36. Power Purchase Agreement (PPAs) between U.P.Rajya Vidyut Utpadan Nigam Ltd. and M/s U.P. Power Corporation Ltd. for various Thermal/Hydro Power Stations are as under:-

Name of Projects	**PPA Time**
Anpara-A, Anpara-B, Obra-B, Harduaganj (O&M 1X110MW),	up to 2029
Parichha (2x210MW)	up to 2032
Parichha (2x250MW), Harduaganj (2x250MW), Harduaganj (1x660MW) and Obra C (2x660MW)	up to 2038
Anpara D, Panki Ext. (1x660MW) and Jawaharpur (2x660MW)	up to 2041
Rihand HEP, Obra HEP, Matatila HEP, Khara HEP, UGC HEP, Belka SHP, Babali SHP and Sheetla SHP	up to 2029

37. The corporation has commenced billing to HPSEBL & MPPMCL out of the generation from Khara, Rihand & Matatila power houses since F.Y. 2011-12. Percentage of power supplied out of generation from these power houses is as under:-

Name of Power House	**Percentage of Power Supply**		
	UPPCL	**HPSEBL**	**MPPMCL**
Khara Power House	80	20	0
Rihand Power House	85	0	15
Matatila Power House	66.67	0	33.33

MPPMCL is not verifying the bills raised by Company, though they are paying only one component (O&M charges as decided by Hon'ble UPERC) out of 5 components of tariff. The matter is pending in Hon'ble APTEL for the same

38. Company has made provision for bad and doubtful debts on case-to case basis in accordance with the decision taken in 38th meeting of Audit Committee of UPRVUNL (Before Merger) dt. 10.12.2021.

39. Some of the balances of trade/other payables, loans and advances and balances payable to U.P. State Power Sector Employees Trust are subject to confirmation/reconciliation. Adjustments, if any will be accounted for on confirmation/reconciliation of the same, which in the opinion of the management will not have a material impact.

40. Information in respect of Micro and Small Enterprises as at 31st March 2026 as required by Micro, Small and Medium Enterprises Development Act, 2006-

41. Disclosure as per Indian Accounting Standard - 19 'Employee Benefits'

41 (i) As per G.O. No. 1/2016/41/24-ih-2-16-lk0(84)/2014 dated 13.01.2017 liability of payment of pension, gratuity and commutation of retired employees appointed prior to 14.01.2000 (i.e. appointed during erstwhile UPSEB period) have been taken over by Govt. of U.P w.e.f. 01.03.2017. The company pays contribution @ 16.70% and 2.38% respectively against pension and gratuity on the amount of Basic Pay, Grade Pay and Dearness Allowance paid to employees based on the Actuarial Valuation Report dated 09.11.2000 submitted by M/s Price Waterhouse Coopers was being paid to treasury, Govt. of U.P. through secretary, U.P. State Power Sector Employee Trust.

41 (ii) The company has a defined benefit gratuity plan for employee covered under CPF scheme appointed after 14.01.2000 and who has rendered continuous service of five years or more is entitled to get gratuity at 15 days salary (15/26 x last drawn basic salary plus dearness allowance) for each completed year of service subject to a maximum of ₹ 25 lakh on superannuation, resignation, termination, disablement or on death. The existing scheme is non funded. However, the provision for gratuity for employees appointed after 14.01.2000 which were covered under CPF scheme (except employees of erstwhile UPJVNL which was covered under EPF Scheme and covered under gratuity cum life assurance scheme of LIC of India), has been accounted for on the basis of actuarial valuation report dated 26.04.2026 submitted by M/s Mithras Consultants, an actuarial valuation firm in compliance of Ind AS-19 issued by ICAI.

41 (iii) Company provides for earned leave benefit to all category of regular employees which accrues at 31 days per year. The earned leaves are encashble at the time of superannuation, resignation, or on death. Total number of leaves that can be accumulated are 300 days. The scheme is unfunded and liability for same is recognize on the basis of actuarial valuation in compliance of Ind AS-19 issued by ICAI.

43. Disclosure as per Indian Accounting Standard - 23 'Borrowing Costs'

The borrowing costs capitalized during the year ended 31st March 2026 is **₹ 144.99 Crore** (previous year ₹ 1,157.38 Crore). ESP retrofitting in Parichha CTPS, FPS Installation in Anpara A&B, Obra and Parichha, etc.

44. Disclosure as per Indian Accounting Standard - 108 'Operating Segments'

Based on the "management approach" as defined in IND AS 108, the Management evaluates the performance and allocates resources based on an analysis of various performance indicators by business segments. Accordingly, information has been presented for each business segment. The accounting principles used in the preparation of the financial statement are consistently applied to record revenue and expenditure in Individuals business segments and are as set out in the Material accounting policies.

If revenue from transactions with a single external customer amount to 10 Percent or more of an entity revenue the entity shall disclose the fact that total amount of revenue from each such customer and the identity of the segment or segment reporting the revenues. The entity need not disclose the identity of a major customer or the amount of revenue that segment reports from that customer.

For the purpose of this Ind AS a company of entities known to a reporting entity to be under common control shall be considered a single customer.

Sale from Hydro Power Energy and generation , sales of bulk power to UP Power Corporation Ltd Within the UP State does not exceeds 10 Percent or more of an entity revenue, and in other reporting segment i.e. coal mining has no activities carried out during the year therefore segment reporting is not applicable to UPRVUNL.

45. In earlier years, the Company had not recognized Net Deferred Tax Asset (DTA) as a measure of prudence in view of the accumulated tax losses under the Income-tax Act. During the current year, based on the assessment of temporary differences at the reporting date, the Company has recognized Net Deferred Tax Liability (DTL) in accordance with Ind AS 12 – Income Taxes.

These fixed assets have been bifurcated on the basis of Capacity of Projects. Age of aforesaid assets has been considered since year of commercial operation to workout remaining life of assets for the purpose of calculation of depreciation.

vi) An agreement was signed by M/s Essar Power M.P. Ltd. in the year 2010 for compensation of generation loss caused by water drawl from the Rihand Reservoir. As a result of the implementation of the agreement, the firm paid the generation loss invoices for the first few months. Thereafter, they stopped making payments, claiming the bills were incorrect. Upon issuing a notice for payment, the firm filed a lawsuit in the Hon'ble High Court, Jabalpur. The said lawsuit was transferred to the Hon'ble High Court, Allahabad, where it is being pursued. Currently, M/s Essar Power M.P. Ltd. has been acquired by M/s Mahan Energen Ltd. (Adani Power). The final hearing date for Case No. 12331/2020 pending in the Hon'ble High Court, Allahabad, was fixed for 08.12.2023, but the hearing could not take place. Subsequently, the next date of hearing has not been fixed. Continuous efforts are being made through the advocate to get the said case heard so that the lawsuit can be resolved. Due to the non-payment of invoices for compensation of generation loss caused by water drawl from the Rihand Reservoir, a case was filed against M/s Essar Power under the Insolvency and Bankruptcy Code, 2016 in the Hon'ble NCLT, NCLAT, and the Hon'ble Supreme Court, which was dismissed by the Hon'ble Court.

vii) An agreement was signed with M/s Sasan Power Ltd. on date 22.11.2010 for the payment of invoices for compensation of generation loss occurring against the water drawl from the Rihand Reservoir. Invoices for compensation of generation loss were issued by the Corporation, but payment was not made by them. It was informed by them that their firm has been granted approval for water drawl from the Rihand Reservoir by the Madhya Pradesh Water Resources Department. Therefore, U.P. Jal Vidyut Nigam Ltd. does not have the right to receive compensation. Against the said action, the firm filed a lawsuit in the Hon'ble High Court, Jabalpur, upon which stay orders have been issued by the Hon'ble Court. The hearing date for Case No. 4554/2019 pending in the Hon'ble High Court was fixed for 26.03.2026, but the hearing could not take place. Continuous efforts are being made through the Corporation's advocate to get the stay vacated against the said lawsuit so that the case can be resolved.

(a) Credit Risk : Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations resulting in a financial loss to the Company. Credit risk arises principally from cash & cash equivalents and deposits with banks and financial institutions and trade receivables. In order to manage the risk, company accepts only high rated banks/institutions. Further majority of trade receivables are on account of govt undertakings, they are unsecured but considered good.

(b) Market Risk : Market risk is the risk that changes in market prices, such as foreign exchange rates and interest rates will affect the Company's income. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return. Since company is not exposed to market, market risk is not applicable.

(c) Interest Rate Risk:

The Company is exposed to interest rate risk arising from borrowing with floating interest rates because the cash flows associated with floating rate borrowings will fluctuate with changes in interest rates.
At the reporting date the interest rate profile of the Company's interest-bearing financial instruments is as follows:

(₹ in Crore)

Particulars	31.03.2026	31.03.2025
Financial Assets		
Fixed-rate instruments - Deposits with Banks	786.00	763.05
Total	786.00	763.05
Financial Liabilities		
Fixed-rate instruments - Financial instruments loans	31450.29	32420.79
Variable rate instruments - Cash Credit & Working Capital loan from Banks	821.15	491.52
Total	32271.44	32912.31

55. Fair value sensitivity analysis for fixed-rate instruments

The company's fixed rate instruments are carried at amortized cost. They are therefore not subject to interest rate risk, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

56. Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial assets. The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company manages liquidity risk by maintaining adequate FI/banking facilities and reserve borrowing facilities by continuously monitoring forecast and actual cash flows and matching the maturity profiles of financial assets and liabilities.

57. Capital Management

The Company's objectives when managing capital are to safeguard its ability to continue as a going concern, so that it can continue to provide returns for shareholders and benefits for other stakeholders and maintain an appropriate capital structure of debt and equity.

The Board of Directors has the primary responsibility to maintain a strong capital base and reduce the cost of capital through prudent management of deployed funds and leveraging opportunities in domestic and international financial markets so as to maintain investor, creditor and market confidence and to sustain future development of the business. The Board of Directors monitors the return on capital, which the Company defines as result from operating activities divided by total shareholder's equity. The Board of Directors also monitors the level of dividends to equity shareholders.

The Board seeks to maintain a balance between the higher returns that might be possible with higher levels of borrowings and the advantages and security afforded by a sound capital position.

The Company monitors capital using gearing ratio which is net debt divided by total equity. Net debt comprises of non-current borrowings and current borrowings(incl. current maturity on non-current borrowings and interest accrued thereon) less cash and cash equivalent. Equity includes equity share capital and reserves that are managed as capital. The gearing ratio at the end of the reporting periods was as follows :

(₹ in Crore)

Particulars	31st March 2026	31st March 2025
Total Liabilities	32904.87	33624.58
Less: Cash and cash equivalent	514.37	454.49
Net Debt	32390.50	33170.09
Total Equity	29308.12	27918.41
Net Debt to equity ratio	1.11	1.19

S.No.	Particulars	% change	Explanation
1	Return on Equity	1463.22%	Due to improved capacity utilization in newly commissioned units during the year and recognition of Deferred tax
2	Net Profit Ratio	1253.75%	Due to improved capacity utilization in newly commissioned units during the year and recognition of Deferred tax
3	Return on Capital Employed	109.52%	Due to improved capacity utilization in newly commissioned units during the year and recognition of Deferred tax
4	Return on Investment	1463.22%	Due to improved capacity utilization in newly commissioned units during the year and recognition of Deferred tax

60. Provision for expected credit losses

Financial assets for which loss allowance is measured using 12 months expected credit losses.

The company has assets where the counter-parties have sufficient capacity to meet the obligations and where the risk of default is very low. Accordingly, no loss / allowance for impairment has been recognized during these years.

61. Disclosures as per Ind AS-2 Inventories

i) Amount of Inventories consumed and recognized as expenses during the year is as under.

(₹ in Crore)

Particulars	31st March 2026	31st March 2025
Fuel Cost (Note No. 26)	**12,148.47**	11,307.59
Generation Cost (Note No. 30)*	**346.37**	281.77
Total	**12,494.84**	11,589.36

*Stores & Spares Consumed included in Repair & Maintenance Expenses

ii) Carrying amount of inventories hypothecated as security towards Cash Credit Limits as at 31.03.2026 is **₹ 2,417.24 Crore** (Previous Year ₹2,248.57 Crore)

62. Disclosures as per Ind AS-116 Leases

(i) The Anpara TPS acquires Land on leasehold basis for a period of 30 Years from Forest Department which can be renewed further based on mutually agreed terms and conditions. This lease is capitalised at the present value of the total minimum lease payments to be paid over the lease term. Future lease rentals are recognised as 'Lease liabilities' at their present value. The right-of-use land is amortised considering the material accounting policies of the company.

(ii) The following are the carrying amounts of Lease liabilities recognised and the movements during the year :

(₹ in Crore)

Particulars	31st March 2026	31st March 2025
Opening Balance	-	-
Add: Additions in lease liabilities	13.46	-
Add: Interest cost during the year	8.04	-
Less: Payment of lease liabilites	8.52	-
Closing Balance	**12.98**	-
Current	0.22	-
Non Current	12.76	-

(iii) Maturity Analysis of the lease liabilities:

(₹ in Crore)

Contractual undiscounted cash flows	31st March 2026	31st March 2025
3 months or less	-	-
3-12 Months	1.22	-
1-2 Years	1.22	-
2-5 Years	3.65	-
More than 5 Years	21.90	-
Total	**27.98**	-

(iv) The following are the amounts recognised in Statement of Profit and Loss:

(₹ in Crore)

Particulars	31st March 2026	31st March 2025
Depreciation and amortisation expense for right-of-use assets	2.81	-
Interest expense on lease liabilities	8.04	-
Expense relating to short-term/low value leases	-	-

(vi) The following are the amounts disclosed in the cash flow statement:

(₹ in Crore)

Particulars	31st March 2026	31st March 2025
Cash outflow from leases	0.48	-

63. Disclosure as per Ind AS - 8 'Accounting Policies, Changes in Accounting Estimates and Errors'

(a) Materiality Assessment relating to Prior Period Errors

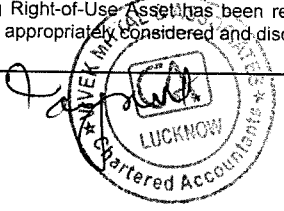

During the year, the Corporation revised/introduced its accounting policy relating to assessment of materiality of prior period errors/items in accordance with the principles of Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors.

As per the revised policy, prior period income/expenditure items, individually or collectively, not exceeding 1% of Revenue from Operations shall ordinarily be considered immaterial and adjusted in the current year under respective natural heads of account. However, any single item exceeding ₹50 crore or items having qualitative materiality shall be treated as material prior period errors and accounted for in accordance with Ind AS 8 including retrospective restatement, wherever applicable. The aforesaid thresholds represent management's internal materiality assessment framework and do not override the requirements of applicable Indian Accounting Standards where qualitative materiality or statutory considerations necessitate separate disclosure or retrospective restatement. Management has assessed that the aforesaid change does not have any material impact on the financial statements requiring retrospective restatement.

(b) Accounting Policy for Lease Transactions

During the year, the Corporation entered into lease arrangements and accordingly revised its accounting policy for lease transactions in compliance with Ind AS 116 – Leases. Pursuant to the said policy, Right-of-Use (ROU) Assets and corresponding lease liabilities have been recognized in the financial statements in respect of applicable lease arrangements. The lease liability has been measured at the present value of future lease payments and the corresponding Right-of-Use Asset has been recognized in accordance with the requirements of Ind AS 116. The impact of recognition of lease liabilities and Right-of-Use Assets has been appropriately considered and disclosed in the financial statements.

Abhishek

(c) Restatement for the year ended 31 March, 2025 and 1 April, 2024

In accordance with Ind AS 8 'Accounting Policies, Changes in Accounting Estimates and Errors' and ind AS 1' Presentation of Financial Statements, the Company has retrospectively restated its Balance Sheet as at 31 March 2025 and 1 April 2024 (beginning of the preceding period) for the reasons as stated in the notes below.Reconciliation of financial statement line items which are retrospectively restated are as under:

Reconciliation of restated items of Balance Sheet as at 31 March 2025 and 1 April 2024 (₹ in Crore)

Particulars	Note	31 March 2025			01 April 2024		
		As previously reported	Adjustment	As restated	As previously reported	Adjustment	As restated

T O T A L EQUITY AND LIABILITIES		**67,889.92**	**(0.16)**	**67,889.76**	**66,576.47**	**-**	**66,576.47**

(i) Recognition of Deferred Tax Liability

During the year ended 31 March 2026, the Company carried out a detailed review of deferred tax balances in accordance with Ind AS 12 – Income Taxes. Pursuant to such review, it was observed that deferred tax liability relating to taxable temporary differences, primarily arising from differences between the carrying amounts and tax bases of Property, Plant and Equipment and certain other temporary differences, had not been recognised in earlier periods.

The Company had historically disclosed that deferred tax assets relating to accumulated losses and unabsorbed depreciation had not been recognised as a matter of prudence. However, upon reassessment, it was determined that deferred tax liability arising on taxable temporary differences was required to be recognised in accordance with Ind AS 12.

Accordingly, the non-recognition of deferred tax liability in earlier years has been treated as a material prior period error in accordance with Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors. The Company has corrected the error retrospectively by recognising deferred tax liability from the earliest period presented and restating the comparative financial information.

Consequent to the retrospective restatement, the Balance Sheets as at 31 March 2025 and 1 April 2024 have been restated. In accordance with Ind AS 1 – Presentation of Financial Statements, a third Balance Sheet as at 1 April 2024 has been presented as the adjustment has a material effect on the information in the Balance Sheet at the beginning of the preceding period.

The cumulative impact of the aforesaid correction up to 1 April 2024 has been adjusted against opening retained earnings. The impact of the restatement on the Balance Sheet, Statement of Profit and Loss, Other Equity and Earnings Per Share for the comparative period is disclosed in the respective notes forming part of the financial statements.

The deferred tax liability recognised as at 31 March 2026 has been determined after considering eligible deferred tax assets on deductible temporary differences and carry forward tax attributes to the extent their realisation is considered probable in accordance with Ind AS 12.

(ii) Reclassification of Comparative Figure

Certain comparative figures have been regrouped/reclassified to conform to the current year's presentation in accordance with the requirements of Schedule III to the Companies Act, 2013 and Ind AS 1 – Presentation of Financial Statements. Accordingly, advances to suppliers and prepaid expenses, which were previously disclosed under "Other Current Financial Assets", have been reclassified and presented under "Other Current Assets". Further, statutory taxes and duties payable, which were previously disclosed under "Other Current Financial Liabilities", have been reclassified and presented under "Other Current Liabilities". These reclassifications have no impact on the total assets, total liabilities, equity, profit/(loss) for the year or cash flows of the Company.

64. Exceptional item includes **₹ 26.88 Crore** (PY ₹ 25.09 Crore) provision for loss of Notional interest being incurred by U.P. State Power Sector Employee Trust and U.P. Power Corporation Contributory Provident Fund Trust from amounts invested in Fixed deposits, Unrealized Interest & Notional Interest thereon due to insolvency of Diwan Housing Finance Corp. Ltd.(DHFL). The amount of provision has been made on the basis of Letter no. I/47814/2026/12/UPSPSET/DHFL/2019 dated 15.04.2026.

65. The merger of Jawaharpur Vidyut Utpadan Nigam Ltd. into UPRVUNL and subsequent merger in UPJVNL has been approved in meeting of BoD dated 25.02.2022 and same has been notified vide GoUP GO. No. 872/XXIV-P-2-2023-63(NIYUKTI)-2011 DT. 03.11.2023. In compliance of this G.O. process of merger has been completed in previous year and the name change of UPJVNL has been declared changed as U.P. Rajya Vidyut Utpadan Nigam Ltd. with amended certificate of incorporation issued on dated 20.03.2024

66. The figures shown in the Balance Sheet, Profit & Loss Account and Notes have been rounded off to the nearest Crore rupees and two decimals thereof.

67. The above notes are as referred to in Balance Sheet and Statement of Profit & Loss account.

68. Previous year figures have been regrouped/rearranged wherever necessary.
